Name: Suying Tu
ID: 33095213
Lab: Wednesday 4pm
Tutor: Songhai (Frank) Fan
Task 1:

Task 2: https://stuu0004-monash.github.io/Week10HW/
Domain: Gender Inequality
Attribute types: qualitative (population, GDP, gender inequality index), qualitative (continent, country)
Source and Author: United Nations
Justification: Bubble chart because it allows the reader to see countries with a larger population more easily since they are more significant.
